FINANCIAL REPORT

HOLY ROSARY CHURCH

GARY, INDIANA

Dear Parishioner:

This Financial Report of the Parish is printed so that all the members of the Parish may know how much and in what manner the financial receipts of the Parish are being used. It also brings to our attention the names of those who are sincerely trying to fulfill their obligation contained so clearly in the FIFTH COMMANDMENT OF THE CHURCH. This commandment to support the Church is not considered seriously by many, in fact, it is almost forgotten, that is why it is truly called the "NEGLECTED COMMANDMENT." Those who do not observe this Fifth Commandment of the Church, certainly cannot be called good and practical Catholics.

Remember, therefore, that the commandment to support your Church is not a matter of choice or charity -- it is an obligation binding in conscience. As a member of this Parish -- Holy Rosary -- your duty is to Holy Rosary Parish, and not to any other parish. The obligation rests with the parishioner to his parish to support it, to up-keep it.

Consider the support of your Church a privilege and an honor. You will then receive the personal satisfaction that you have done your duty and your conscience will not reproach you. Your God expects this of you, your conscience dictates it to you.

The benefits of religion through the medium of the Church and her priests are many and they should be acknowledged by your loyal support of the Church, which assists you in so many spiritual and material benefits.

Many ask who should support the Church. The answer to this question is, that every one who is a wage-earner is obliged to support. Both men and women, adults and children should contribute according to their means. Do not look whether or not John or Mary is giving, rather give because it is your duty. I assure you, no one has ever gone hungry, or to the poor house; no one has ever starved because he or she supported the Church, but rather the contrary is true: God blessed them who were sincere and conscientious in their support of their Church. We have learned in our experience that God always blesses those who do not forget their God and their Church.

The answer to the question of how much should one contribute to the Church, is left to your conscience and also to the amount you earn. You recall the text from the Scripture which reads as follows: "IF YOU HAVE MUCH, GIVE ABUNDANTLY; IF YOU HAVE LITTLE, TAKE CARE EVEN TO BESTOW WILLINGLY A LITTLE." (Tobias 4:9). You also recall the passage from Scripture where Our Lord praised the good widow for giving what she had -- she had very little, but she gave all she had; others gave more, but they gave from their abundance. It is, therefore, plain and evident from the Scripture that Our Lord approved and preached to support the Church. As to the amount we give it depends on our income. If God has been good to you and you have much, you ought to give much; if you have little, see to it that at least a little is given as a token of appreciation of God's love for you.

Reverend Joseph P. Smith
Pastor of Holy Rosary Church
